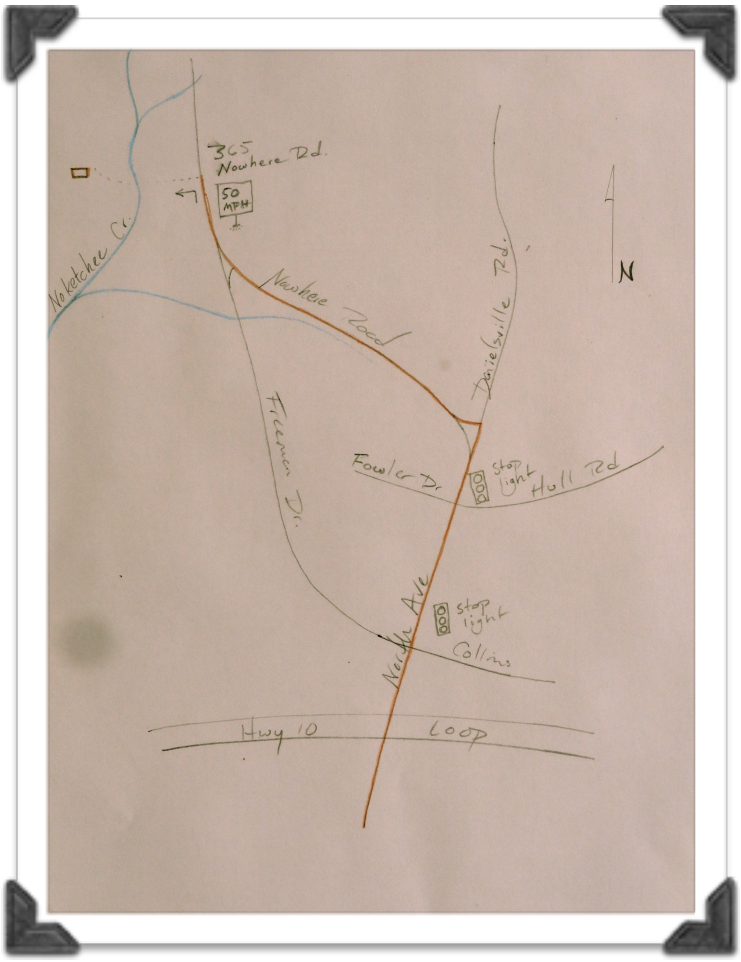
To the Nowhere Shire:
The address is 365 Nowhere Rd.
From downtown head north on North Ave. and cross over the Athens Highway–10 loop. Continue through the second stop-light intersection (Hull/Fowler Rd.) then look for a hidden left turn—the first after the light; this is **"the Nowhere Road."** Please watch for roadside deer and other critters while driving along. Short of a mile, you'll reach a bend in the road trending right, where Freeman Rd. "T's" into Nowhere. Continue along Nowhere Rd. a short distance; note the 50 mph sign, and take the next gravel drive on your left (3 mailboxes; one is white) at the head of the drive—no house in sight. The driveway borders a meadow on your right then bears you through a curtain of bottomland trees, beyond which the land opens left and right as the driveway gently rises. Our house is the first you come to… about a half mile in.



Call if turned around or "google-lost."
