

Hello Campers!

Nowhere Archery wishes to extend a heart-felt welcome to each of you joining us this summer!

360 degrees of adventure—archery and craft, creative challenges & insightful wonders—fills our time together. From woodland to meadow, treetops to Noketchee Creek, we look forward to roving and roaming, learning and growing with you.

The house has a designated bathroom for you when needed, and a changing screen will be set up in the woods near the Rover's Ring. We expect some hot days so most of them will end with a splash in Noketchee Creek, a fine and safe way to cool down after an eventful day.

Here's an gear list for a comfortable and rewarding journey:

- Day pack to carry it all
- Two water bottles
- Midday meal—a small cooler if you have such food
- Creek shoes
- Sturdy sneakers/boots—open shoes are discouraged.
- Rain jacket/poncho
- Hat
- Long pants for Bramble-rambling—there will be occasion for them.
- Swim suit/shorts & towel
- Pocket knife—if you have one
- Compass—if you have one
- Bug repellent and sun screen as needed
- Journal/writing utensil
